

Technical drawing of a bathtub drain assembly, showing side and front views with dimensions and labels.

Side View (Left):

- Overall height: (2125)
- Height from top to center of drain: (1002)
- Height from center of drain to bottom of drain body: (1060)
- Height from bottom of drain body to bottom of drain flange: (800)
- Height of drain flange: 69
- Height of top mounting bracket: 125
- Drain body diameter: $\phi 162$
- Labels: H (Handle), C (Cover)

Front View (Right):

- Drain body diameter: $\phi 280$
- Distance from drain body to wall: 388
- Top connection: DB130CVC2
- Top connection size: PT1/2
- Top connection diameter: $\phi 104$
- Drain body diameter: 59~79
- Drain body connection size: PT1/2
- Drain body connection diameter: 62.5
- Drain body connection size: PT1/2
- Drain body connection size: 30~50
- Drain body connection size: PT1/2
- Drain body connection size: (102)
- Drain body connection size: 170
- Drain body connection size: 浴缸表面 (Bathtub surface)
- Drain body connection size: TX404SG
- Drain body connection size: TX441SE

()內之尺寸請依使用者之使用高度做調整，以上尺寸僅供參考。
