

Technical drawing of the water tap assembly. The drawing shows a side view of the tap handle and the water outlet. The handle is labeled "Max 30" and has a curved shape. The water outlet is labeled "165" and "222". The angle of the handle is labeled "12.5°". The drawing also shows the "吐水管" (water outlet pipe) and the "冷熱水側把手開關角度90°" (cold/hot water side handle opening angle 90°).
